SMART CATCH

WildFin is proud to partner with Smart Catch.

Smart Catch is the James Beard Foundation's sustainable seafood pilot program created with chefs for chefs with the purpose of increasing the sustainability of the seafood supply chain. The program provides support to our chefs and gives consumers a simple way to identify and support restaurants that serve seafood fished or farmed in environmentally responsible ways.

COCKTAILS

At WILDFIN we take the art of the cocktail seriously. Premium spirits, fresh made mixes, quality garnish and the correct techniques make the difference. It's easy to mix and "drink" but it takes care, skill and a commitment to quality to craft a fine cocktail.

Our bartenders are professionals in their field so if you don't see your favorite on the menu, just ask and we'll be happy to accommodate your pleasure.
